Doha Bank CEO Dr R Seetharaman received the Pravasi Bharatiya Samman Award (PBSA) from the President of India at the Pravasi Bharatiya Divas 2017 convention held at Bengaluru, the capital of Indian state of Karnataka.

"The PBSA was conferred for his significant contribution to building closer links between India, the overseas Indian community in the GCC countries and for the welfare of the local Indian community in the region," Doha Bank said.

"Some of the key initiatives brought by him include arranging credit and investment facilities to Indian corporates and financial institutions, facilitating average annual remittances to India over last decade, creating employment opportunities for Indians in global operations, contributing to Indian SMEs, professionals and blue-collared workers abroad, and contributing to multilateral trade and investment with India.

Dr Seetharaman thanked the Indian government for considering him for this award and observed that "India is poised for a giant leap from the ranks of developing countries to developed countries."
