

Doha Bank CEO Seetharaman honoured with Green Economy Visionary Award

Chennai, June 2:

Switzerland.

A proud moment it was for Dr R Seetharaman, CEO, Doha Bank, honoured with the 'Green Economy Visionary Award' at the Union of Arab Banks (UAB) International Banking Summit, held under the Auspices of the Prime Minister of Italy, Matteo Renzi, in Rome recently.

The award was given for Seetharaman's outstanding contribution close to two decades towards environment friendly activities and thereby promoting Green economies. He was a recipient of multiple doctorates including the Ph.D. Degree on "Green Banking and Sustainability" from Sri

Sri University, India in 2015. Recently he was also recommended for "Nobel Peace Prize" by H.E Nassir Abdul-Aziz Al- Naseer, United Nations High Representative for the Alliance of Civilizations.

On receiving the award Dr. R. Seetharaman stated he would like to dedicate this award to His Excellency Sheikh Abdulla Bin Saoud Al-Thani, QCB

Governor, Sh. Fahad Bin Mohammad Bin Jabor Al Thani, Chairman of Board of Directors, Doha Bank, Sh. Abdul Rehman Bin Mohammad Bin Jabor Al Thani, Managing Director, Doha Bank and other members of the Doha Bank's Board of Directors and his family for their continued support in pursuing environment friendly activities.

Seetharaman received the award from Mr. Mohammed Jarrah Al-Sabah, Chairman, Union of Arab Banks in the presence of Wissam H. Fattouh, Secretary General Union of Arab Banks; Mohammad Machnouk, Minister of Environment, Lebanon; Sarkis Yoghourtdjian, Advisor, Federal Reserve Board, Washington DC; Mustapha Bakkoury, President du Directoire, MASEN, Morocco; Michele Caparelli,
